

# **TRANE® 800 HUMIDIFIER**

Winter is here creating excessively dry indoor air conditions in your home.

- Are you tired of getting shocked by everything you touch?
- Do your lips, skin, and nasal passages get dried out?
- Is the decorative trim and wood moldings in your house showing signs of separation or cracking?
- Tired of filling the single room humidifiers?
- Concerned with the operation or water puddling in your existing humidifier? Or it just doesn't provide the moisture your home needs?

There is an affordable solution for you and your family to improve your comfort. The Trane 800 Steam Humidifier will provide the humidity levels needed to ensure comfortable living conditions. The Trane 800 Steam Humidifier is easy to maintain by just replacing the steam canister.
